

Half Moon Bay 2021 Redistricting

Public Participation Kit

An online version of this map that allows you to zoom in and out for more detail is available as a link from the City website.

Each number indicates the total population of that "population unit" area. Each district must have essentially equal population. The population of each of 4 districts must be close to 3,183, with no more than a 318 difference between the largest and smallest.

Each of 5 districts must be close to 2,546, with no more than a 254 difference between the largest and smallest.

Please use a thick dark-colored pen to draw your map, then submit it at City Hall or by email to JBlair@hmbcity.com. You can hand-deliver, mail, fax, scan and email, or photograph and email your map.
